Summary

As an undergraduate Data Science student, I thrive on transforming data into actionable insights. My expertise spans statistics, programming, and real-world problem-solving. Proficient in Python and SQL, I've tackled projects from machine learning to data visualization. Driven by curiosity and continuous learning, I'm eager to innovate and make a tangible impact. Let's connect and create data-driven solutions together.

Skills

Language:	C, Java (Familiar), Python, HTML, CSS, PHP
Frameworks/Libraries:	Pandas, NumPy, Matplotlib, Scikit-learn, Seaborn, re
Tools:	Power BI, MySQL, SQL, Excel, PowerPoint, GitHub (Familiar)
Platforms:	Visual Studio Code, Jupyter Notebook, Spyder
Soft Skills:	Problem-Solving , Project Management , Adaptability , Communication Skills , Critical Thinking , Team Player
Additional:	Statistics , Data Structures & Algorithms

Project

Power BI Sales Dashboard: Developed an interactive dashboard to analyze sales performance, track key metrics (sales, profit, discounts, COGS), and visualize trends by month, segment, and region. Used DAX and SQL for data processing, enabling data-driven decision-making and optimized reporting.

Nasheleium - A Web-Based E-Commerce Platform for Cocktails & Mocktails:
Nasheleium is a responsive e-commerce website showcasing premium cocktails and mocktails. It features an intuitive UI with a navigation bar, product listings, and a shopping cart, built using HTML and CSS. The project highlights front-end development skills.

Certification

IT smart plus – APLL	**Dec 2021 – Jul 2022**
Communication Skills – TCS iON	**Apr 2024 – Jul 2024**
Databases & SQL for Data Science with Python - IBM (Coursera)	**Jul 2024**
SQL – Geekster	**Aug 2024**
PowerBI – Office Master	**Sep 2024**
The Joy of Computing Using Python – NPTEL	**Aug 2024 – Nov 2024**
ChatGPT & AI tools – Workshop by Be10X	**Oct 2024**

Education

Pursuing Bachelor's Degree - Data Science	Jul 2023 - Jul 2026
CMR University, Bengaluru	
Intermediate – PCM	Jun 2020 – Jun 2021
LA Garden +2 High School, Ranchi	
Matriculation	May 2020
